WE'VE MOVED, OUR QUALITY HASN'T

32 YEARS OF EXCELLENCE NOW UNDER ONE ROOF

WE'VE MERGED TO CREATE ONE
FLAGSHIP SALON IN TOTTINGTON
TO OFFER YOU THE BEST HAIR
DAYS MONEY CAN BUY

**BOBBLES: FOR GOOD
HAIR DAYS, EVERY DAY**

Since 1984 our philosophy has been 'personalised high quality hairdressing and service'.

As we look to the future, creating one flagship salon in TOTTINGTON affords us a clearer focus, allowing us to both invest in the future of the business for the benefit of our loyal customers, and in training for our dedicated team – a cause that has always been at the centre of our company ethos.

With the very best of each salon under one roof, we can further hone our expertise while maintaining the high quality standards we have become renowned for over the last 32 years.

We are incredibly proud of our successful team in Bury and although this decision hasn't been taken lightly, it's one that we believe places the continued development of our team and exceptional client care first.
