

**Aspire Hair and Beauty is a friendly, successful family business, which was established in 2007.**

Our business has grown significantly since then, primarily due to clients recommending us to friends and family and we are delighted that we also have an increasing male clientele too.

We have a great team of male and female client-focused, qualified professionals at your service and we have an extensive range of treatments and products to suit everyone. We are proud to serve our loyal clients and we offer a warm welcome and a unique experience to new clients.

## **Hair treatments**

Our Team, comprising fully qualified hair designers for men and women of all age groups, is at the forefront of hair design and innovation and continues to develop skills with training at leading hair specialists, such as Vidal Sassoon and the Wella Professional Studio. We only use the best quality products and have a full range to suit your individual requirements.

## **Beauty treatments**

Laura leads and motivates a dedicated and meticulous team of Beauty and Holistic Therapists, providing a full range of beauty treatments, including HD Brows and St Tropez Spray Tans. By researching the latest brands and developing new treatments, we can produce the best possible results for our clientele.

The team continues to develop its skills with training at leading beauty specialists, such as Dermalogica and Nouveau Beauty Group.
