

Paul Brandwood Meat and Poultry Supplies are a family business, established for over four decades. Supplying the highest quality fresh meat and poultry from local sources to our customers is our main priority. All of our produce is available at highly competitive prices and we frequently have special deals and offers.

We are situated in the world famous Bury Market, which caters to hundreds of thousands of satisfied shoppers each and every week. We also offer a refrigerated delivery service on all large orders, whether this is to a local restaurant, or directly to your home.
