Situated in Ramsbottom, Owens provides the perfect setting to relax and enjoy fine dining, prepared by our highly talented kitchen team, willing to demonstrate their considerable flair and imagination.

Our restaurant has an informal atmosphere with large windows and lots of natural light, to complement the elegant furnishings, providing a tranquil ambience, overlooking the East Lancs Railway. With a daily changing specials board, our menu offers traditional favourites served alongside modern classics, as well as vegetarian options.

We take our inspiration from the generous local larder and source ingredients from passionate producers based nearby, from which we buy fantastic ingredients such as local cheeses, wholesome fresh breads and quality meats.
