

For tyres and exhausts, look no further than Ramsbottom Tyres & Exhausts. We are a local business that has many years of experience in the tyre trade. We provide many services such as:

- Tyres
- Exhausts
- Batteries
- Puncture Repairs
- 4 Wheel Laser Alignment
- Computerised Wheel Balancing
- Oil and Filter Changes
- and much more

Fast fitting – We can replace your tyres in next to no time, no matter what car you drive. We can typically replace all four tyres on your vehicle within 1 hour, including balancing your wheels and performing an alignment check.

Quality Tyres – We supply tyres from some of the world's leading brands. From low profile sports tyres, to wet weather and winter tyres, we can advise on the best choice of tyres for your vehicle and driving needs.

Great Prices – We believe our prices are amongst the most competitive around. And remember, when you come to Ramsbottom Tyres & Exhausts, you're getting a first class service from a local business.
