

CAR SERVICING FROM ONLY £99

Servicing

Cross Service can service your vehicle to main dealer standards at a fraction of the cost.

We offer dealer schedule services/our own interim/full service to suit your needs.

So whether you want to follow your service schedule to the letter or have a full service annually, we've got you covered.

With a local collect and return service available you won't even have to leave your seat. Get in touch for more details.

Repairs

All kinds of repairs undertaken. From vehicle electrics such as alternators/starter motors/wiring repairs/door latches etc to engine repairs/rebuilds/cylinder head work/cooling system/water pumps/radiators/steering/suspension and brakes/ABS/traction control/clutch and gearbox repairs/vehicle interior repairs.

All this across every mark and model. You name it we do it and all at very competitive rates.

Diagnostics

We have invested in the latest Diagnostic equipment to enable us to carry out diagnostic checks and accurate fault finding to a very high standard.

It is in our interest to quickly locate and repair faults which in turn will benefit you, the customer with low labour costs.

All vehicle systems are covered by our diagnostic checks, so if you've got a warning light on call in and have your car put right quickly and cost effectively.
