

**Welcome to the Bury Black Pudding Company – the only company making Bury Black Puddings in the town of Bury!**

The Bury Black Pudding Company offers you the very highest quality, award winning Black Puddings. We are the UK's leading, specialist black pudding brand and you'll find our products in major supermarkets, independent butchers and retail outlets. You can also order online and have our products delivered directly to your door.

When it comes to Black Pudding, Bury is synonymous with being the best, and when you choose our genuine Bury Black Puddings, you are buying exactly that! Browse our website to find out more about our history and products, check out some of our amazing recipes and then visit our online shop to order securely online.

Due to demand for our quality product and local sourcing schemes, you'll now find the exact same black puddings served on our market stall, in Tesco, Waitrose, Sainsbury's, Asda, Co-op, Spar, Morrison's, Iceland, Selfridges and Booker.

We have one of the longest established stalls on Bury's world famous market. Generations of families continue to come and buy our famous black puddings, fresh farm eggs, chickens, cheese and sausage. Look out for our logo! You'll find us at Stall No 5, Edward Block, Bury Open Market.
