

Excellent, affordable childcare for children ages 0 - 4 years

At Ladybird Nursery we excel in providing the highest quality of care and education for children aged between 0 – 4 years on two sites in Ramsbottom, Buchanan Street and Carr Street.

We work in partnership with parents/carers as we believe this is the best way for every child to develop and learn to their greatest abilities. Having a good relationship with parents/carers is an essential part of each individual child's development; this also helps us to meet the specific needs of every child and their family. We like to ensure that our parents/carers are confident with the quality of care that we provide and involve parents as much as possible in their child's learning, development and care.

We believe that parents/carers will get the best feel for our nursery if they come and see us in action. We have an open door policy which means parents are welcome to pop in at any time. Our staff value and respect the needs and wishes of all of our families who place their children in our care. All of our staff have knowledge and understanding of the Early Years Foundation Stage.

Our staff have experience with young family members, children, grandchildren, nieces and nephews. We can completely relate to our parents needs and concerns when entrusting us with the care of their children. All children's transitional needs are different and we will work with parents to ensure the transition is as easy and as smooth as possible to ensure the children settle quickly.
