

Mulberry Bush Nursery Outstanding Childcare

100% OUTSTANDING! We are bursting with pride for the entire Mulberry Bush team...we care for over 800 children in 5 nurseries in Bury and all 5 of them have been found to be officially OUTSTANDING.

We are the longest established nursery group in the North West, founded in 1990 and are proud to say that we remain family run today. We are passionate about providing the very best childcare.

Despite our fantastic Ofsted gradings, we do not stand still. We are always striving to ensure that our nurseries are the best they possibly can be. We are so proud of our fantastic team and the amazing love and care they provide for the children every day.

If you would like to speak to one of our management team who will be able to answer any specific questions, and arrange a time for you to come and view one of our nurseries, please contact us by phone on the number below, or, alternatively by email.
