CAI Non-surgical Face and Body Treatments • Skin Needling

Welcome to Opulence Day Spa, we are a small, comfortable, friendly yet luxurious boutique style spa situated on Bolton Street in Ramsbottom. My name is Debbie and I am the owner/senior therapist.

I have been qualified in Beauty Therapy and associated therapies for 20 years. I qualified with a BTEC (NVQ 3) in Beauty Therapy and Cosmetology in 1995, and throughout my career in the beauty industry I have undertaken further training and courses to keep me up to date with industry developments. I am BABTAC registered and insured. I have worked in many prestige salons and with some of the best and most experienced therapists in the beauty industry, and after many years of working for others I felt ready to open my own salon using my experience gained from working with the best.

My aim is provide you with the very best experience of a beauty therapy treatment, my priority throughout your time in the Spa is your comfort and enjoyment of your treatment combined with fantastic results, and of course all treatments and consultations are completely confidential.

Please feel free to call the Spa, and I will get back to you as soon as I can. As we work by appointment, for a faster response it is better to telephone me and leave a message. You can also like us on
