

The Dressing Room is the number one Dress Agency in the North West. This is due to the service offered by Jude and Karen and the extensive range of designer occasion wear available, such as Chanel, Gucci, Hermes, D&G, Louis Vuitton, Christian Dior, Prada and much more.

We make it our mission to get to know our clients and find out exactly what it is that they're looking for. This way we are able to find them the perfect outfit for their big day, son or daughter's wedding or a particular special occasion. Our Mother of the Bride labels include outfit from John Charles, Ian Stuart, Condici, Veni Infantino and many more.

We will ensure the outfit is perfect for you, along with our in house seamstress service, which will make you look and feel amazing! Hat Hire service is available with an extensive range of designer hats to complement your wedding outfit.

We are a resale dress agency, which sometimes comes as a surprise to new visitors as we only accept luxury designer and boutique labels, always in perfect condition. If you want to make space in your wardrobe, bring in your designer goods for an assessment with us and that "MUST HAVE" Chanel bag, could be yours sooner than you think!
