

Bradshaw Industrial & Welding Services Ltd

15 years ago we embarked upon a mission to become the best welding equipment supplier in the region. Today our reputation reaches beyond the boundary of our home county, and we are now able to boast a nationwide and European list of extremely satisfied customers.

Mission accomplished? Perhaps, but we don't intend to rest on our laurels. Bradshaw Industrial will continue to innovate as we build on solid foundations, while the standard of service we provide shall always set us apart from our competition.

Orbitalum range of computer controlled precision orbital welding power supplies and welding heads.
