

Paul Anthony Commercials

Supplying quality
commercial vehicles

 Northwest & Nationwide

Paul Anthony Commercials was formed in 1994 – specialising in Mercedes vans, but with a good selection of other popular marques, supplying commercials throughout the UK. Most of our vehicles are sourced from prime leasing companies, with a full service history and warranted mileage.

Every vehicle we sell goes through our workshop and has an MOT prior to going on sale. We pride ourselves on providing a excellent service for our customers and for providing great value for money commercials, serviced, MOT'd, with a warranty and ready to go.

If you are looking for something specific, please call us, and we will be happy to source a vehicle to suit your specific needs and budget.

Finance Options

Paul Anthony Commercials have been affiliated with MotoNovo Finance for over 20 years, as we believe our customers benefit from their great service at competitive rates.
