

Situated perfectly above the market town of Ramsbottom, the Duckworth Arms is a warm and cosy traditional pub. Expect a warm welcome with quality cask ales, fine wines and home cooked traditional British pub food.

We're family friendly and perfect for any occasion. When the sun's shining we have a spacious hillside beer garden with stunning views across Holcombe Hill and Peel Tower down to Ramsbottom. We're also doggy friendly so bring your four legged friends along.

Our menus offer something for everyone, with seasonal daily specials and fantastic Sunday roasts. Our bar caters for cask ale lovers, quality wine drinkers, as well as slow roasted coffees from Paddy & Scott's.

Cask ale is at the heart of our pub and being owned by a family brewery means we serve the best in the area. Aside from the local favourites, expect to find limited edition seasonal ales on the bar throughout the year.

Our back bar is buzzing with the latest gins and spirits, and our cellar is full of quality world wines to suit every palette. Our hot drinks selection includes slow roasted and freshly ground artisan coffee..
