

Few things come close to the joy of steak and chips – cooked simply with tender, loving care. Which is exactly how we like to do things at Miller & Carter Greenmount.

Rest assured that our chefs treat our carefully sourced 30-day aged British and Irish beef with the respect it deserves. Our open kitchen is testimony to that.

Whatever your preferred cut – ribeye, fillet, sirloin or perhaps a chateaubriand between two – it'll be as flavoursome and tender as our master butcher intended.

MAIN MENU

Discover an exceptional range of delicious dishes courtesy of our magnificent main menu, which is packed with an incredible range of nibbles, starters, prime steak burgers, fish and vegetarian options, and a superb range of sides.

Treat yourself to a truly luxurious Steak Experience, and indulge a little. All of our prime steak cuts are aged for at least 30 days, ensuring that every single one is truly divine.

Or you could try something a little different, and our chargrilled meats offer spectacular options, such as the buttermilk chicken Experience, Tandoori style marinated lamb rump, and much more.

LUNCH MENU

We know that finding the time to catch up with friends and family can be difficult and the weekends seem all too short. That is why we have created our Fixed Price Lunch Menu, giving you the perfect excuse to indulge with those you care about.
