

The Fisherman's Retreat *Restaurant*

The Fisherman's Retreat is nestled in Twine Valley at the edge of the Pennine hills, three miles east of the town of Ramsbottom.

We pride ourselves on sourcing and supporting local producers where possible; our aim is to provide an exceptional standard of food freshly prepared by our team of chefs. Our menu features home-reared and home-produced traditional and modern British dishes, with an occasional International influence - prepared with the freshest ingredients, locally sourced where possible. You can choose from the main menu or our daily specials.

The majority of meat on the menu is handpicked on the hoof from local farms known to us. This gives us the unique advantage of knowing where each animal has come from. All meals are homemade and are freshly prepared to order.

Our kitchen team is young and dynamic and they enjoy producing diverse menus from our dry aged beef, locally sourced meats, fresh market fish, vegetables and salads. We are very lucky to have lots of wonderful staff working for us – in the kitchen, front of house, outside and behind the scenes, and without them what we do now would not be possible – they make up our fantastic team.

Call us on **01706 825314** – to avoid disappointment, reservations are essential.
