

Pearson Ferrier offer a full range of estate agency services for sellers, buyers, landlords and tenants across both the domestic property and commercial property sectors.

We provide a unique property buying service for buy-to-let investor landlords from search, to purchase, to renovation, right through to full management, generating yields and capital growth for the modern investor.

We are ideally suited to offer a complete service in all aspects of residential property. Our team are able to offer the best advice and strategy on marketing your property to its utmost potential, as well as providing colour brochures of the highest quality, professionally designed newspaper advertising. All of this is backed by our highly motivated, experienced and well-trained sales teams.

The Pearson Ferrier Financial Services team have a wealth of experience and knowledge in the many and varied sectors of the financial/investment market. Our team are able to offer advice on a wide ranging variety of subjects such as; mortgages, insurance, pensions and investments. From first time buyers to those planning for retirement we are the best placed to offer expert and impartial advice on a whole range of financial services.

We are one of the UK's leading independent residential lettings and management specialists, with an ever expanding property portfolio covering the whole range of rental properties from the smartest of one bedroom or studio accommodation through to the executive and company lettings market.

Plus our large database of tenants who are looking for property to rent mean we can help you find the right tenants quickly.

If you would like some more information, some advice or would like to utilise our services please contact us to arrange to meet and discuss how we may be able to help.
